

WANT AN A-LIST EXPERIENCE?

HELP MAKE OUR WORK POSSIBLE!

As part of our A-List, you'll play a big role in making Atlantic's work possible – from producing the compelling work onstage and training passionate artists in performance to community outreach initiatives and youth-based programs that serve nearly 5 public schools each year.

- See what you've helped bring to the stage from the best seats in the house.
- Interact with artists, staff, and fellow Patrons at intimate dinners and private first rehearsals.
- Be the first to experience new work by emerging artists with reserved seats at play readings as well as monthly newsletters.
- Cheer on the next generation of artists by attending a conservatory performance, student matinee, or a Staging Success performance.

AWAKEN! CHALLENGE! INSPIRE!

▲ Patron Nan Bases and guest with director Ed Sylvanus Iskandar at the Opening Night of *Nomad Motel*.

Located in the heart of the Manhattan's Chelsea neighborhood, Atlantic presents truthful storytelling across our two venues. Visit one of the most unique theaters in NYC, our inspiring Linda Gross Theater, a 199-seat venue with warm brick interior and vaulted ceilings. Experience bold new work in our intimate 99-seat Stage 2 black box, where artists are given state-of-the-art resources to fully realize their work. Visit both spaces to awaken your sense of adventure and broaden your worldview.

▲ Atlantic Board members Mary Turner Minard and Ilona Nemeth, Patron Jason Minard, and guest with playwright Donja R. Love at the Opening Night of *Fireflies*.

For almost 35 years, Atlantic has been unafraid to produce simple and honest stories that challenge and transform our ways of thinking. Our longstanding history of high-caliber, daring theater has brought some of the greatest stories to the stage, including *Spring Awakening* and *The Band's Visit*. Atlantic is a powerhouse producer of new work in the NYC community, earning 22 Tony Awards and coveted Lucille Lortel and Drama Desk Awards for "Outstanding Body of Work." Each season, we produce six intrepid plays and musicals and two Atlantic for Kids productions that reach as many as 55,000 theatergoers. Immerse yourself in world premieres from established writers like Dominique Morisseau, Rajiv Joseph, and Martin McDonagh. Challenge yourself with new plays by emerging artists like Lauren Yee, Ngozi Anyanwu, and Eboni Booth.

At Atlantic Acting School, we equip our students with the physical, emotional, and analytical tools of acting to discover their truths, and prepare them for success beyond our doors. From our full-time and evening conservatory to our after school and summer programs for kids and teens, our immersive, learn-by-doing approach is central to an Atlantic Acting education. We have mentored and trained outstanding artists for more than 30 years. No matter their age or background, our students learn to break through their creative comfort zones in service to bringing essential human stories to life. Inspire the next generation of theater-makers by supporting our arts education initiatives which reach over 5,000 students in programs like our student matinees or Staging Success – which brings theater into an academic setting and emboldens students to put their own stories onstage.
